

CARGO INSURANCE

Small enough to know you. Big enough to serve you.

Scan-Shipping offers some of the most affordable, comprehensive and customizable **Cargo Insurance** in the industry.

Here at Scan-Shipping we do our best to ensure our Customer's cargo is handled with the utmost care. However, there are unforeseeable factors beyond our business partner's control which is why we provide subsequent and elective protection coverage to all of our clients.

Carriers and intermediaries have liability limitations in the event of a claim.

For only a small fee, Scan-Shipping can add to your cargo;

ALL RISK INSURANCE

- to port, rail or door transports
- policy covers damage, loss, theft and even general average
- for commodity groups such as: perishable, high value, fragile and used products – special rates and terms are available, *some exclusions also apply*

All Risk and Third Party coverage is available to Shippers, Consignees and Third Parties. Letter of Credit stipulations, with sufficient notice, can be accommodated. Scan-Shipping can insure your goods against all risks of physical loss or damage from any external cause, irrespective of percentage, but excepting those risks excluded by the F.C. & S., Nuclear Exclusions and S.R. & C.C. warranties of said policy.
